

Fortnite Frenzy Toplines

Methodology: This SurveyMonkey online poll was conducted October 8-17, 2018, among a national sample of 19,063 adults—including 2,111 parents with children between 8 and 17 years old—and 1,348 teenagers age 13 to 17. Respondents for this survey were selected from the more than 2 million people who take surveys on the SurveyMonkey platform each day. Data have been weighted for age, race, sex, education, and geography using the Census Bureau’s American Community Survey to reflect the demographic composition of the United States of people age 18 and over.
